FYI: Given her prolonged jury duty, etc. we will be meeting with Sarah next week on the AE documentation we provided to her previously.

I am also waiting to hear back from Sarah's boss (Deb McKean) on whether she can agree to Sarah doing the EC&EJ review of the two permits (which Kimberly P-W supports).

Hi Sarah,
We knew you were stuck in jury duty longer than anticipated. Next Thursday will be great. I will set it up & sent you an invite. Douglas would like to sit in as well.

We are gearing up to brief the RA so I just wanted to give you a heads-up that you will be seeing additional invites so we can all coordinate our messages as we brief up the management chain.

Hey Valois - Hopefully my out of office message popped up for you... I ended up getting stuck in jury duty that went longer than I could have imagined. I thought I was going to be able to make it in but was stuck in the court room. Is there a time next Thursday we could meet? I am out Mon-Wed on work travel.

Sorry about that - I look forward to touching base with you on this site as soon as possible!

Sarah
